

ITEA Call 2026
Information and Pitch session

Introduction to ITEA and ITEA Call 2026

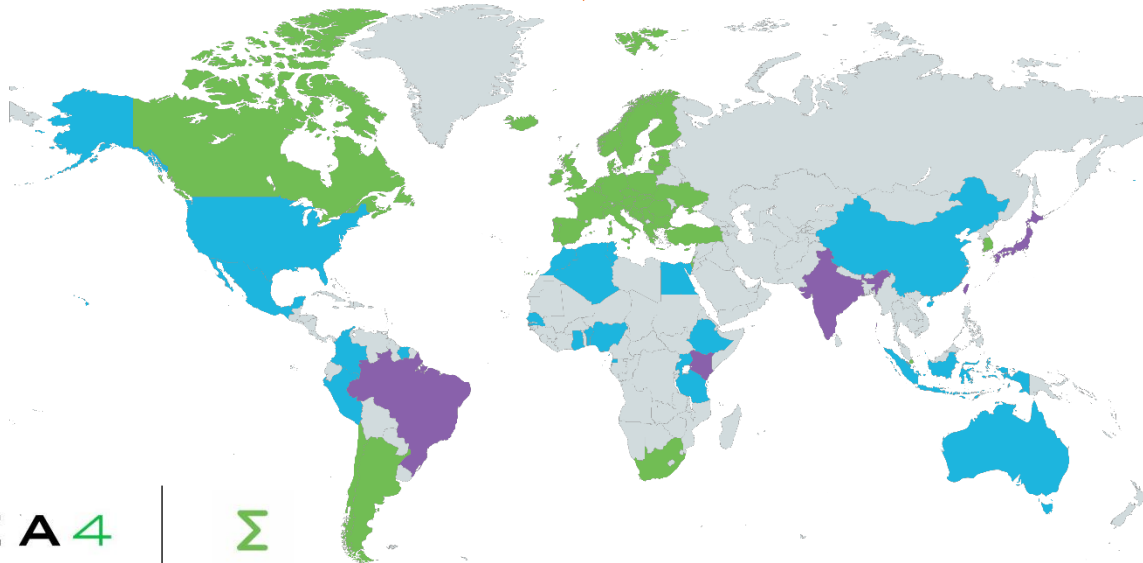

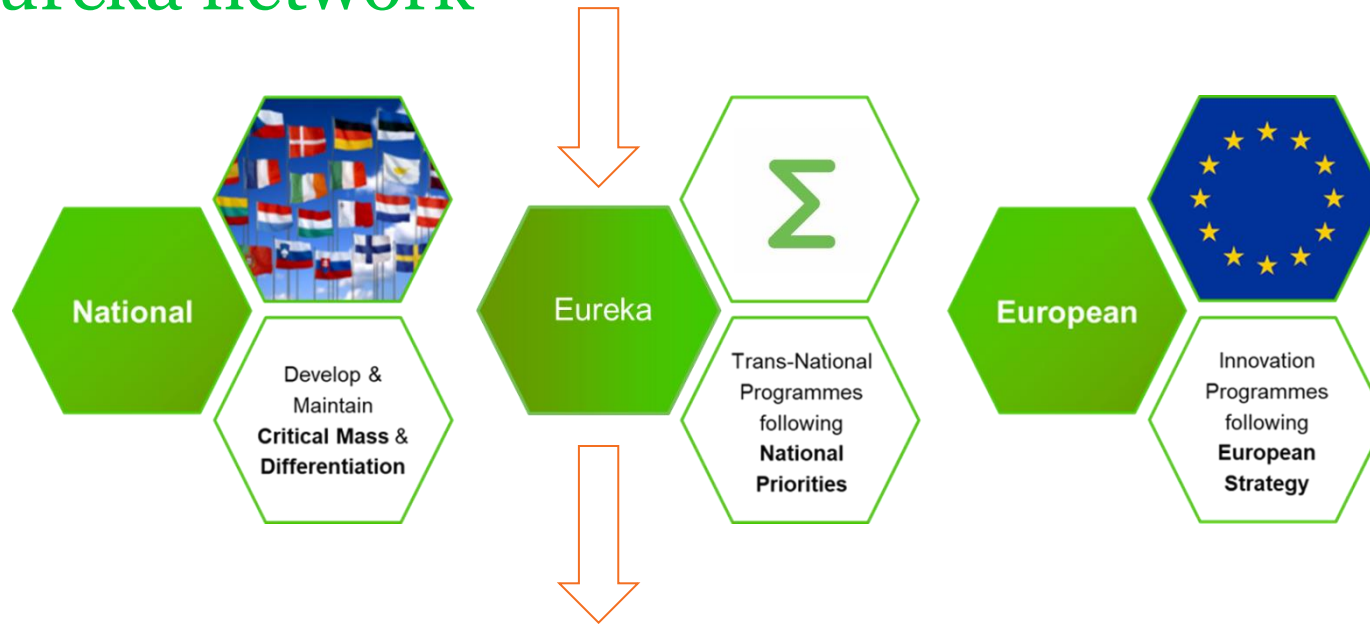

23 June 2026

Régis Cazenave, ITEA Vice-chairman

European innovation landscape

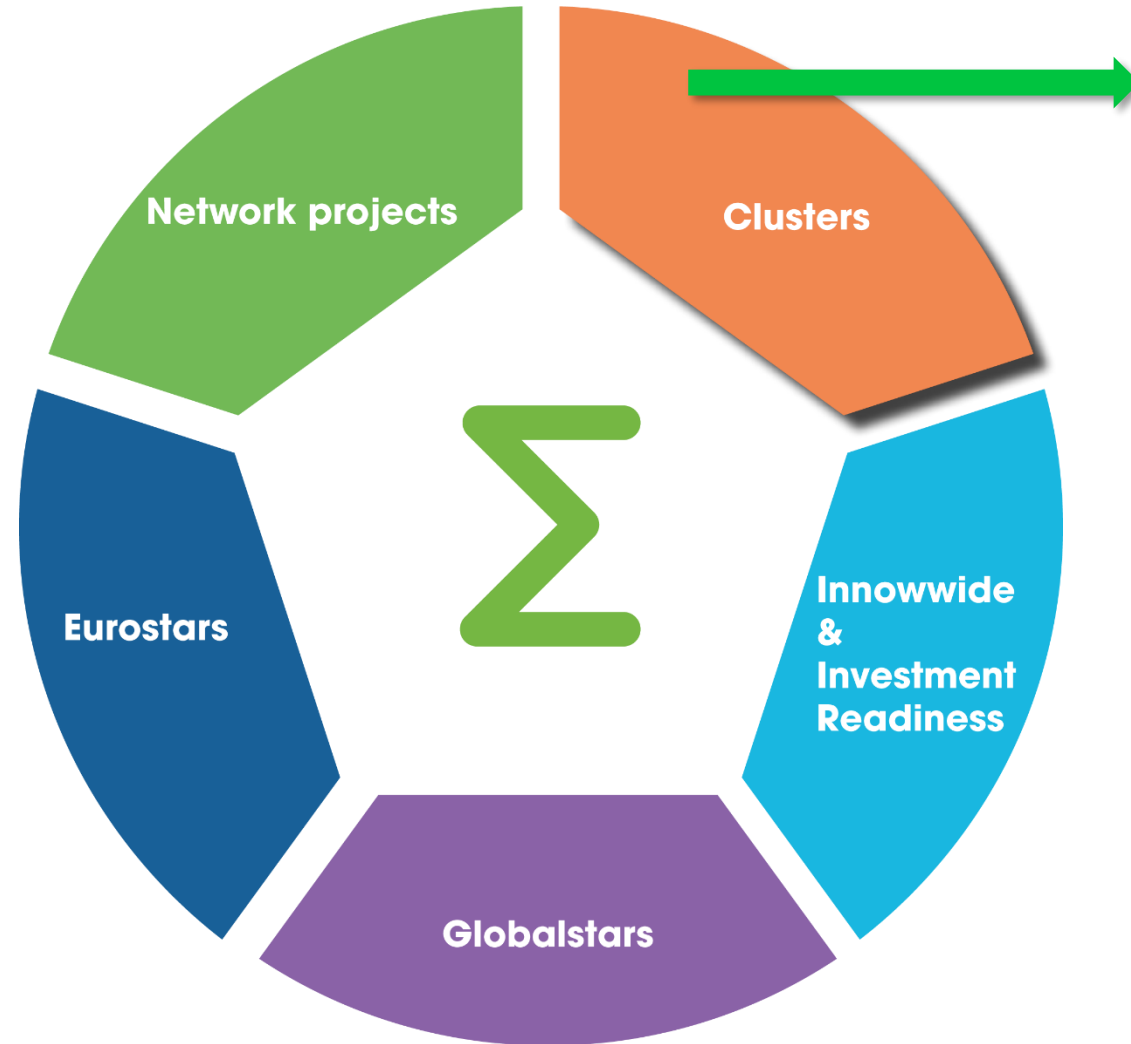

The Eureka network

Eureka is world's biggest public network for international cooperation in R&D and innovation, present in over 45 countries.

The Eureka network

Different Eureka instruments

ITEA is the Eureka RD&I Cluster for software and systems innovation

ITEA

The industry-driven RD&I instrument that drives your innovation

- 375+ projects | 30,000+ person-years | 37 countries

- Strong track record of evidence-based impact:
 - Global standards e.g. EPAS, AUTOSAR, FMI, DCP, ...
 - Enterprise development
 - Increase in revenue, jobs, savings and happiness
 - Improvement of society and lives
- Successful instrument with strong and ever-growing community

ITEA domains of innovation

ITEA is a bottom-up programme: you are in the lead!

[ITEA Strategic Research Agenda \(SRIA\)](#)

Some of ITEA's other main (industrial) partners:

ITEA Call 2026

Characteristics

1. **Bottom-up process:**
Allowing you to innovate on the topics that matter to you

2. **Strategic Research and Innovation Agenda:**
Stimulating the Community to incorporate the latest trends. Updated annually.

3. **Evaluation by industry experts in two stages:**
Supporting the quality of your proposal

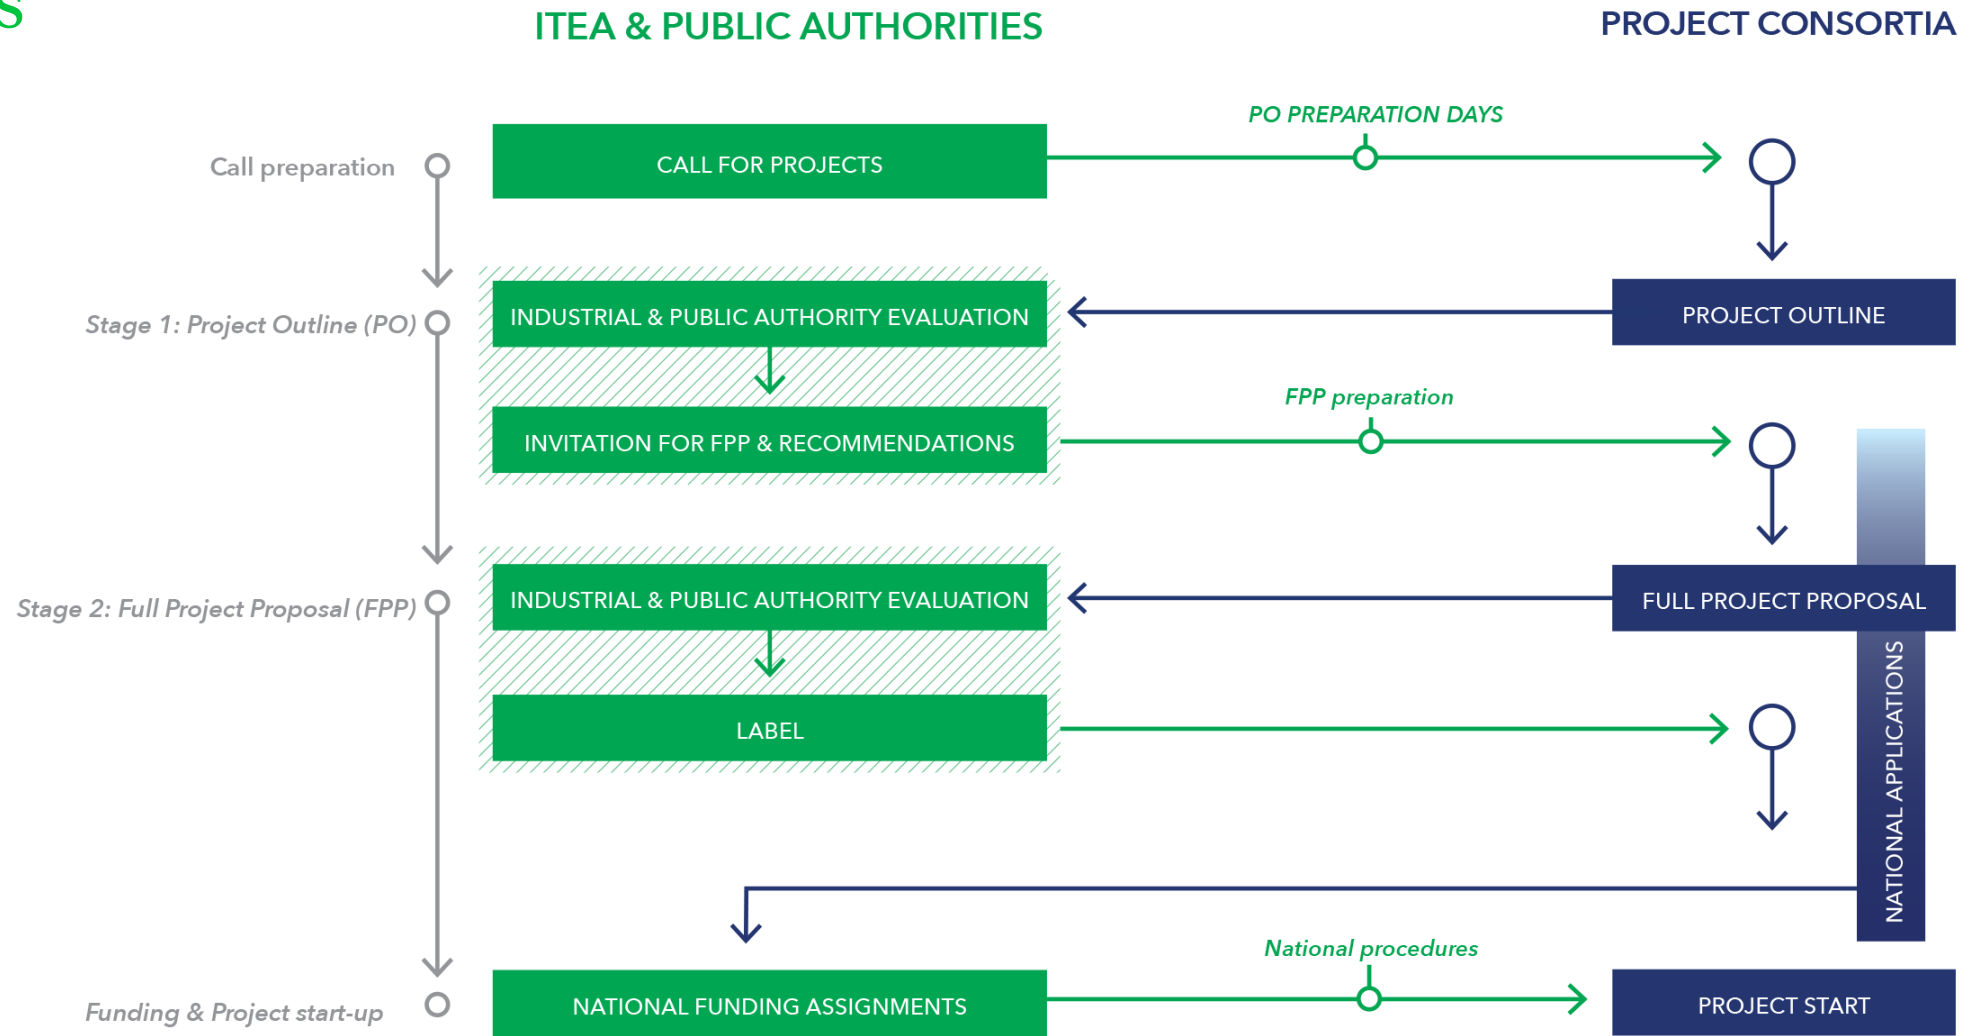

4. **Large, knowledgeable and open 'melting pot' of project partners:**
Ensuring high-quality consortium building

5. **Coaching and mentoring approach:**
Bringing the project to the highest level of impact
