 - Consortium capacity
 - Commercial and Exploitation plan
 - Socioeconomic impact
 - Gender perspective
 - Sustainability, etc

Funding outlook

PCTI-PID:

International Innovative R&D Projects

- > National Consortium led by a company
- > R&D centers and universities have no direct funding, but can participate subcontracted by a Spanish company
- > Minimum fundable Budget: 175.000€
- > There is not a budget limitation for Spanish partners, but budget must be in concordance with the activities to be developed and the capacity of the company
- > Duration from 12 to 36 months

Financing conditions for Innovative projects:

- > Loans covering up to 85% of the approved project budget
- > Non-repayable financing: 30% for SMEs; 25% for large companies (applied to 75% of the approved budget)
- > Fixed interest rate: Euribor, applicable only to the repayable financing
- > Multi-year financing
- > Company contribution: at least 15% of the project budget must be financed with the company's own resources
- > Repayment period: 10 or 15 years, including a 2–3 year grace period

Advance payment:

- > Advance payment of up to 50% of the grant
- > Maximum amount of €300,000, with no additional guarantees required

Eligible costs:

- > Human resources, Management costs (max 8k€), Materials, External subcontracting, Equipment amortisation, General costs (automatic calculation), Audit costs (2k€ per milestone and company)
