

ITEA is the Eureka Cluster on software innovation

Sweden

VINNOVA – The Swedish Innovation Agency

Vinnova is Sweden's **innovation agency**. We help to build Sweden's innovation capacity, contributing to **sustainable growth**.

Sweden is a **leading nation in research and innovation**. We have a **strong industry** and many **innovative SMEs**. Our culture values knowledge, hard work and non-hierarchical collaboration.

Have you included Sweden in your international consortium of your ITEA project yet?

Eligibility criteria

- > Project has received a **label** from ITEA
- > Swedish consortium must include at least **1 SME** with minimum turnover of SEK 1 million and at least 3 Full Time Employees
- > The work effort from **companies** must be at least **60%** of Swedish consortium's total work effort

Funding outlook

- > Funding up to **SEK 15 million per project**. (The projects generally run over three years.)
- > **Vinnova's co-financing maximum 50%** of the entire Swedish consortium's eligible costs.
- > Funding rates: Max **50% for SMEs**, max **30% for large companies**, max **100% for academia**.
- > Vinnova has an open budget of **100 MSEK (€10m) per year**, for all the **Eureka Clusters** Sweden participates in, to finance both ongoing and new projects.
