

- Funding is possible to all-sized companies and research institutes
- Minimum requirement for research institutes: 3 SMEs/midcap companies has to be involved (midcap= a company the turnover of which in total consortium is < 300 million euros)
- Any amount of individual companies can participate without research partners
- From companies willingness and interest to grow in international markets/ to export is expected
→ international growth
- There is always funding for good projects; i.e. there is no predefined budget for ITEA-projects
- Funding applications can be sent anytime (no specific deadlines)
