

ITEA Smart City Day 2021 - Introduction

Jean-François Lavignon, ITEA Vice-chairman
16 March 2021

Agenda

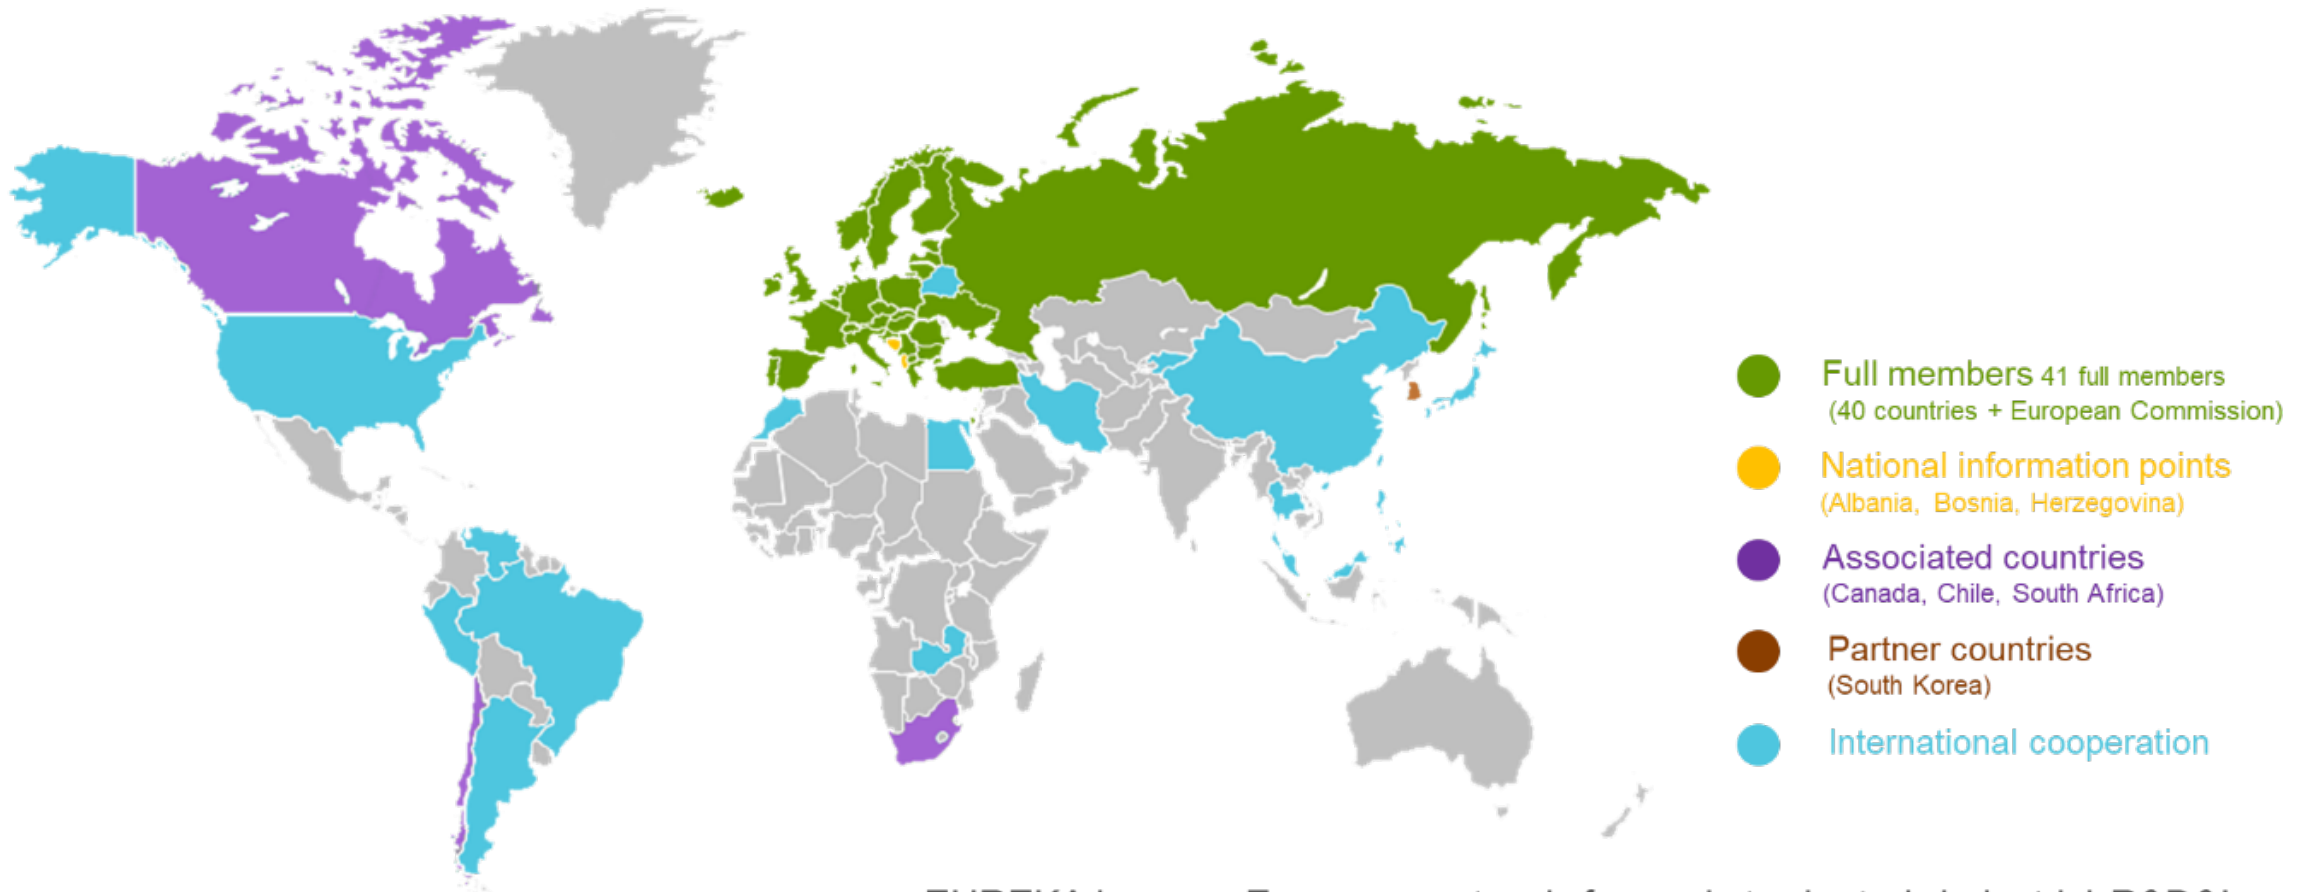

- ITEA introduction
- ITEA and Smart Cities
- Objectives of the day

European innovation landscape

The Eureka framework

EUREKA is a pan-European network for market-oriented, industrial R&D&I
EUREKA Clusters are active in 38 countries

ITEA stimulates **transnational** and **industry-driven** R&D&I in the domain of **software innovation**. ITEA enables a large international community to **collaborate in funded projects** that turn innovative ideas into new businesses, jobs, economic **growth and benefits** for society.

- **ITEA is:**
 - Global and trusted cooperation in an industrial community
 - Project financing through national public and private funding
 - Commercialisation of research results
 - Focus on high-quality process and support
